PROFESSIONAL EXPERIENCE

MICHELLE ROJAS COLLECTIVE

Website Design & SEO Consultant | Seattle, Washington — January 2021 – Current

Own end-to-end design, optimization, and maintenance of client websites, delivering high-quality user experiences paired with strong search engine visibility. Selected consulting projects include full website builds, SEO audits, and redesigns for small business clients, balanced alongside full-time roles and graduate program. Lead visual and UX design, translating client goals into engaging, responsive websites building trust and alignment throughout each project. Implement on-page and off-page SEO strategies to drive organic visibility and long-term traffic growth.

Tools: *Figma* | *Canva* | *Adobe Illustrator* | *Google Analytics* | *Squarespace* | *Wix* | *WordPress* | *Netlify* | *GitHub* | *Claude Code*

- Built and maintained a 5-year independent consulting practice while working full-time and completing a graduate degree, reflecting strong time management sustained client trust.
- Develop wireframes and interactive prototypes in Figma to refine usability, reducing average time-on-task by 20%.
- Delivered complimentary website and SEO audits for 5 clients, identifying key opportunities to improve search visibility and user experience.
- Partner closely with stakeholders to define project goals, understand user needs, and shape site strategy from concept through launch.
- Design low- and high-fidelity wireframes and mockups for a full website redesign, improving user navigation and content accessibility.
- Apply technical SEO expertise, including site architecture, keyword strategy, and performance optimization, to strengthen search rankings and user experience.

DISTANT LANDS COFFEE

Digital Marketing Manager | Renton, Washington — January 2025 – August 2026

Supported Panera Bread Coffee and Sprouted Organic Coffee programs across D2C e-commerce channels, CRM, and social media platforms, driving over $138K in combined revenue growth across email, Walmart, and Shopify channels. Developed tactics and campaigns that drove earned media, audience growth, owned engagement, acquisition, reach, and brand awareness. Applied company standard social voice, tone, style, and creative.

Tools: *Shopify* | *Omnisend* | *Google Ads* | *Microsoft Ads* | *Walmart Seller Market & Walmart Connect Ad* | *Amazon Seller Central* | *TikTok* | *Meta* | *Photoshop* | *Claude AI*

- Increased yearly sales per channel; grew Omnisend email revenue by $42K with 58% audience growth, Walmart e-commerce by $30K, Shopify e-commerce by $66K, and Google Ads conversions by 25%.
- Built and maintained a comprehensive email and social media campaign calendar, ensuring cross-functional alignment and timely execution for all national coffee brands.
- Managed the yearly Digital Marketing Department budget to enhance acquisition while minimizing costs by 13%.
- Directed creative concept and setup for global coffee brands' photoshoots and future creative planning.
- Created and presented high-level reports on digital channel sales, email campaigns, and promotional development at General Management meetings.
